

**PRESENTS**

# PERFUME PAINTING

GIORGIA MARZI ARTIST

---

## THE CONCEPT

PERFUME PAINTING is a multisensorial artistic performance that unites painting, music, lights, and the olfactory art.

---

## THE CONCEPT

The artist Giorgia Marzi paints a 3m x 1.5m canvas, taking inspiration from three fine fragrances diffused throughout the space. Painting, perfumes and colored lights are fused with three musical compositions played by pianist Antonio Artese.

---

## THE CONCEPT

The audience, an integral part of the performance, is immersed in a "live" work of art in that unfolds in real time for 45 - 50 minutes.

---

# THE ARTIST

**GIORGIA MARZI, painter**

Born in Rome in 1980 into a family of musicians and painters, Giorgia obtained her degree in painting at the Academy of Fine Arts in Rome with masters Sandro Trotti and Gianpaolo Berto.

Her works are characterized by a continuous expressive search for form, figure and color. She has exhibited numerous solo and collective shows in cultural institutions and private galleries in Rome, Copenhagen, Odense, and Curaçao, to name a few.

Winner of the "Martelive Festival" in Rome and of the "Plein Air International Festival" in Curaçao, Giorgia lives and works in Rome, where she continues producing new works along with teaching courses in painting, drawing and portraiture.

# THE MUSICIAN

## ANTONIO ARTESE, pianist

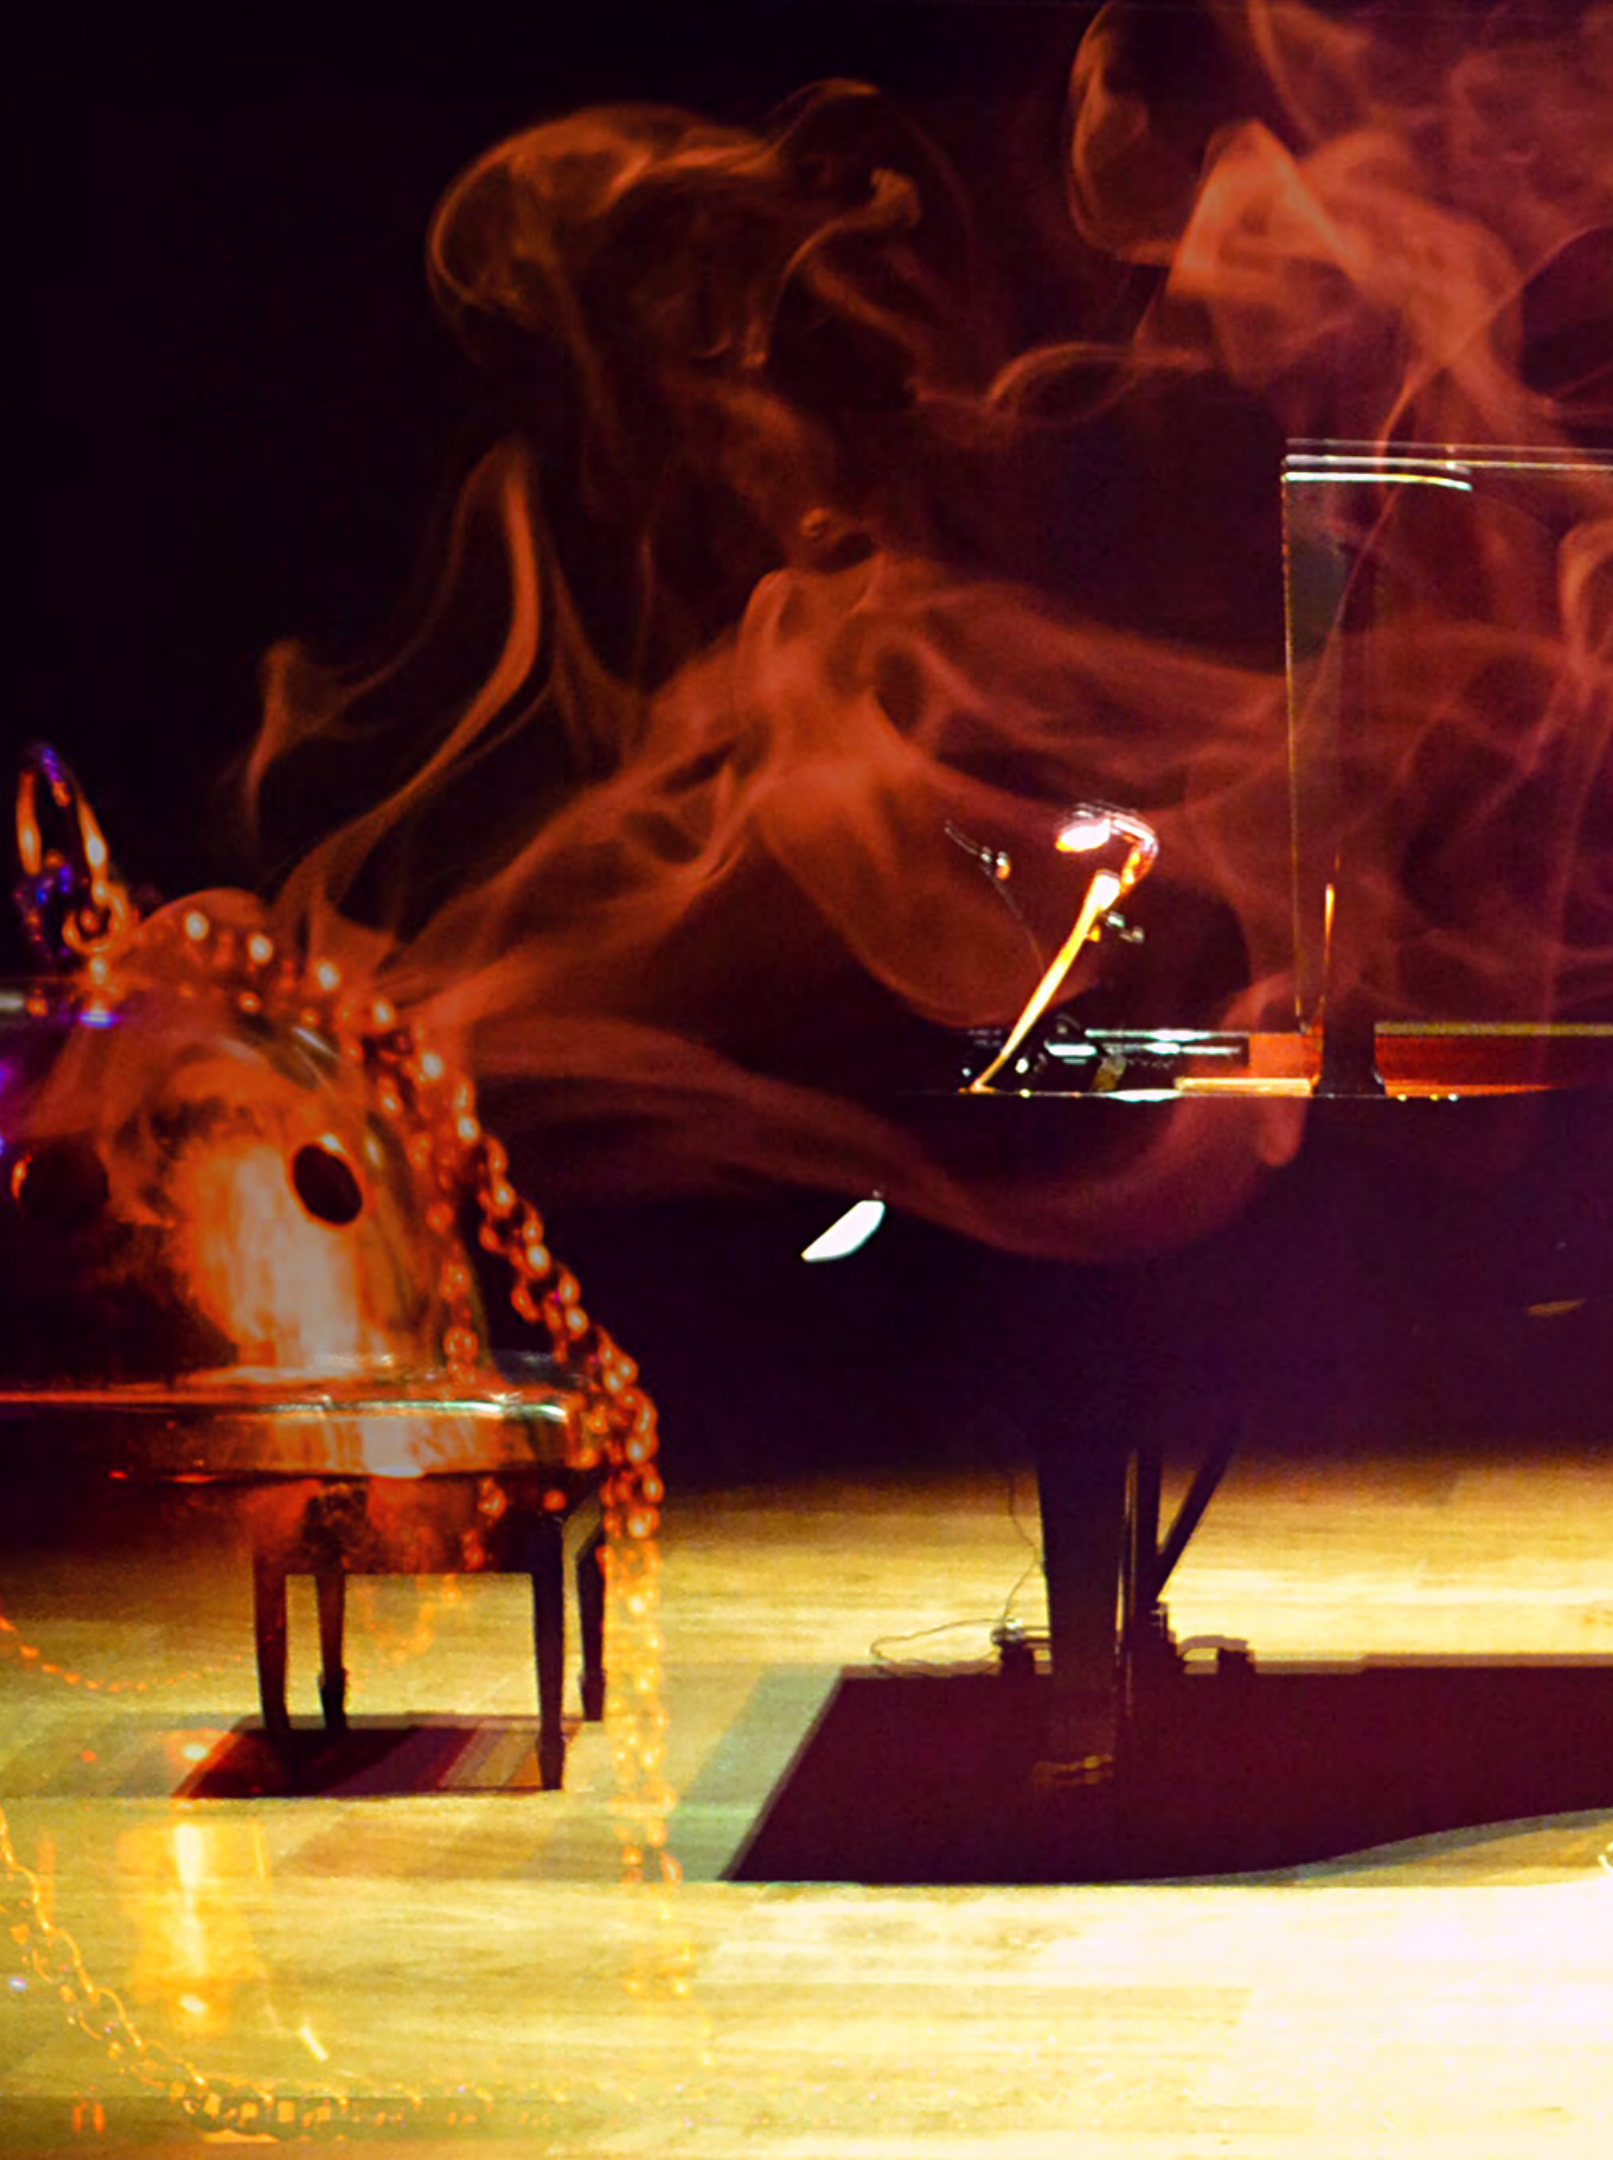

Dr. Antonio Artese, DMA, is a musician, composer, multi-sensorial expert, and fine fragrance connoisseur.

He has authored several projects that explore a multi-sensorial approach to new trends in the performing and figurative arts.

His latest production “Mysterium” combines piano music, lights and perfumes and is inspired by the synesthetic works of the Russian composer, Alexander Skrjabin.

# THE PERFUMES

## PERFUMES

During the live painting, three of the best and original perfume creations are combined with music and colors in a unique, creative performance that envelops the audience in a live multi-sensorial experience.
